

Weldmatic Trolley With Drawer

Part No: WIAAM358 [Compatible with 250i, 350i & 500i]

STORAGE & CONVENIENCE.

HEAVY DUTY WHEELS

Industrial quality wheels and castors deliver smooth operation and durable performance to move your Weldmatic 250i, 350i and 500i where it's needed.

GAS BOTTLE TRAY

For easy storage of a gas cylinder, making it easier to move around the workshop. Suits up to G size cylinders. Tray is low to ground for easy lift on and off. Cylinder secured by chain.

POWDER COATED EXTERIOR PANELS

Powder coated panels for long-lasting performance to resist harsh workshop environments.

CUSTOMISED SUPPORT RAIL

Designed to secure the Weldmatic 250i, 350i and 500i to the trolley for maximum stability.

EASY SLIDING STORAGE DRAWER

The deep drawer is perfect for storing your welding gloves, while the top partitioned tray allows for easy storage and organisation of tips and nozzles.

SHIPPING INFORMATION
