WELDMATIC WORKSHOP

P/N: AM357

Storage & Convenience. Mobile Welding Trolley for Weldmatic 200 & 200+.

CUSTOMISED SUPPORT PLATE

Designed to secure the Weldmatic 200 and 200+ to the trolley for maximum stability.

CABLE HANGERS

Use the cable hangers to keep the work lead, gun cable and supply lead tidy.

HEAVY DUTY WHEELS

Industrial quality wheels and castors deliver smooth operation and durable performance to move your Weldmatic 200 and 200+ where it's needed.

GAS BOTTLE TRAY

For easy storage of a gas cylinder, making it easier to move around the workshop. Suits E or D size cylinders.

GAS CYLINDER CHAINS

Double chains to secure gas bottle and keep it stable and safe when being moved.

POWDER COATED EXTERIOR PANELS

Powder coated panels for long-lasting performance to resist harsh workshop environment.

EASY SLIDING STORAGE DRAWER

With two drawers, the deep drawer is perfect for storing your welding helmet and gloves, while the top partitioned tray allows for easy storage and organisation of tips and nozzles.

SHIPPING INFORMATION

Weight: 29 kg
